

Eastern Pennsylvania Horseshoe Pitchers Association

Directors and Membership Meeting

February 20, 2021

Mt. Wolf, PA

President Dave Jadlocki opened the meeting at 1:07 pm

President Dave welcomed everyone and thanked everyone for their participation.

President Dave mentioned the recent losses to our horseshoe family: Ivan Header, JoAn Douglas, and Bobby Burke (Tammy's husband). He thanked John Monismith for supplying a card to sign.

Treasury report was given by Denny Hall, treasurer. Income was \$8,202, expenses \$9,874. Current balance is \$18,807.46. A breakdown sheet was available.

Dave Holliday asked why we had a big jump in the current balance. Denny Hall stated that a \$10,000 CD was approved and because of COVID we have not been able to get the CD. The balance increase was a result of a matured CD. D. Holliday wanted to confirm our NHPA dues had been paid. Denny Hall gave a breakdown. Randy Zeiders asked if the original CD was \$10,000 and Denny Hall stated it was.

Secretary's report (Karen Connelly was unable to attend so Deb Jablocki filled in) Two medical exemptions were received and approved: Dale Monismith and Jeffrey Wardecker. Copies of the minutes from the last meeting were available. The minutes were read and approved.

Web site President Dave thanked Dawn Clark for taking over as Webmaster and asked how it was going. Dawn stated she needs additional information to update the website. Denny Hall and Justin Foster provided last year's tournament results to Dawn.

Jim Brooks and others stated that when they get on the website it is unsecure. Dawn Clark stated the website is (secure) for money transfers only unsecure to look at. Dawn explained how to go into eshoe for averages and it is on the website. You can search with the NHPA number or name.

Vice Presidents President Dave asked if the vice presidents had any issues and stated that communication is key. Thanked them for keeping the communication open. Randy Zeiders stated that we need to get information to who needs its. Jean Olsen, the regional director, and Karen Connelly, the secretary, are the only ones that have all the player

information. Example of the gift bags for new members and the information was not available. It was suggested that Jean Olsen should contact the head of NHPA.

How to get NHPA memberships was discussed. You can either do it online or give your money to Denny Hall, treasurer, for your membership card.

Regional Director was not present.

It was brought up that last year you only had to throw in 2 sanctioned tournaments to throw in State Singles. The western district will host the state singles this year so they will to decide on that.

Eric Brown stated he needs to get in contact with Jean Olsen on sanctioned pits and averages. Eric also stated that he is hoping to sanction Green Castle after the snow is gone.

No one received and requests for dates for tournaments at Roxbury. President Dave will reach out to Ray and Barb McConnell.

Tournament schedule was set for outdoors for 2021. This could change due to COVID. Reedsville and Carlisle expressed interest in taking on additional tournaments if there are openings after everyone is contacted or if some tournaments get canceled.

Dave Holliday and Eric Brown discussed possible holding a tournament in Benton. The pits are already sanctioned and are in good shape. Will keep the directors posted.

New Business Walter Burtner brought up about A class (high percentage pitchers) not throwing doubles since their partner would have to have a lower average and the B pitcher is always going against someone better. Currently the combined average cannot go over 95%. Eric Brown motioned it be raised to a combined average of 100%. This was discussed and seconded by Mike Fenton. 19 members approved and zero opposed. We are going to try 100% total percentage for this year and look at it next year to see if it needs adjusted higher.

No old business or no additional new business was presented.

Meeting adjourned at 1:45 pm
